

**ULTRAFLIGHT MANUFACTURING LTD.**

**WARRANTY**

1. Ultraflight Manufacturing Ltd. ("Ultraflight") warrants each new LAZAIR<sup>tm</sup> aircraft kit is free from defects in material and workmanship.
2. This warranty is the only warranty made by Ultraflight and is in lieu of all other warranties, expressed, statutory or implied in fact or by law, including any implied warranty of merchantability or fitness for a particular purpose.
3. Upon breach of the express warranty, Ultraflight agrees to either repair or replace (at the option of Ultraflight) any defective part which has been returned to Ultraflight's plant with transportation charges prepaid and which, in the opinion of Ultraflight are defective. A reasonable time must be allowed after notifying the dealer or manufacturer. No such warranty claim will be allowed if, in the opinion of Ultraflight, the part was improperly handled, adjusted, inserted, stored or attached, or subjected to misuse, neglect or accident, subsequent to shipment or delivery from its plant. This undertaking represents the exclusive remedy for breach of warranty.
4. The warranty period begins on the date the aircraft kit is sold by the dealer or shipped by the manufacturer, whichever comes later. This warranty is for 6 months or until the commencement of the first above ground operation of the assembled kit whichever comes first. A warranty validation card must be filled out and mailed to the attention of the Customer Service Manager, Port Colborne, Canada. No warranty claims will be honoured if this card is not on file at the plant.
5. Any implied warranty or condition (including any implied warranty of merchantability or fitness for a particular purpose) made applicable to this kit is limited in time to the duration of the assembly of the kit and is voided at the commencement of the first above ground operation of the assembled kit, as the kit assembly is the responsibility of the owner and not Ultraflight.
6. Ultraflight is not liable or responsible for any loss or damage occasioned by the incorporation of any defective part or parts into the kit. It is the responsibility of the kit assembler to ensure all parts are present and free of defect before assembling the kit.
7. Ultraflight Manufacturing Ltd. shall not be liable for consequential damages resulting from breach of this written warranty, however caused.
